Remarks:

The amendment to the status indication of claim 7 has been amended to read "withdrawn – currently amended" as indicated by the Examiner.

The applicant respectfully points out that although the Examiner had indicated in the last paper that "... is that claim 7, as amended, is improperly dependent upon both claims 6 and 4 at the same time..." are review of claim 7 appears to indicate that the claim (even as previously presented) is only depending upon claim 6. Reconsideration of the objection of claim 7 as to incorrect multiple dependency is requested and the objection withdrawn.

Should the Examiner in charge of this application believe that communication with the undersigned will favorably advance the prosecution of this application, they are invited to contact the undersigned at their convenience.

Should any further fee be required by the Commissioner in order to permit the timely entry of this paper, the Commissioner is authorized to charge any such fee to Deposit Account No. 14-1263.

Respectfully Submitted;
